

# RAZOR WERKE CUTTING WORKSHOP

*with Skot Slator*

APRIL 22, 2019

9:00 AM - 5:00 PM

*Learn and become comfortable cutting hair with a razor without damaging the cuticle. The attendees will become comfortable with utilizing the razor through multiply haircuts which may include; long layer haircut, square one-length bob with graduation, disconnected angled bob, and a crop cut demo. The focus will be on the fundamentals and technique of razor cutting in conjunction with keeping the composition of the hair intact.*
